

Application Form
**Robotic Urology
Fellowship
Training Course**

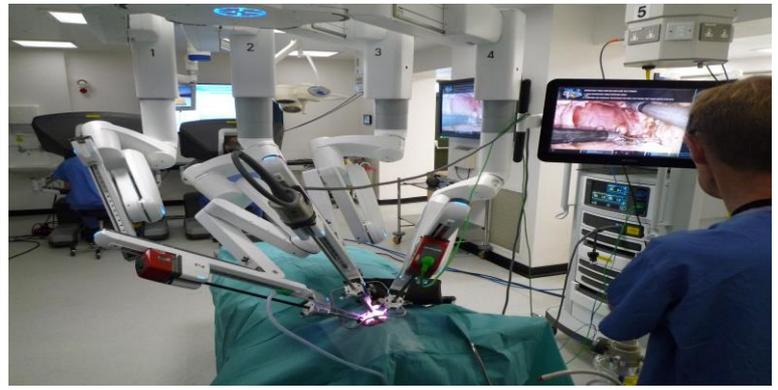

24th & 25th September 2018

The Urology Foundation
Centre of Robotic Training

**NEWCASTLE SURGICAL
TRAINING CENTRE**

Newcastle upon Tyne Hospitals

Course overview

This course is designed for surgeons, urologists, and multi-disciplinary teams to gain system knowledge and develop a working understanding of the da Vinci and learn technical skills useful in the operating theatre. The desired result from this event is that the learner increases or enhances his knowledge and competence in urologic robotic surgery including discussing the surgical technique for safe and effective robotic surgery, indications and contraindications, and methods to manage complications.

DISSECTORS: Access to clinical lectures and cadaveric procedures

This course has been commissioned with an Educational Grant provided by The Urology Foundation. This grant is for Urology trainees year ST6-ST8

NON DISSECTORS: -

**Clinical Lectures and access to simulator only
Available to all Urology
Training Grades/Consultants**

SPECIAL FEATURES OF THE COURSE

**Intensive two-day course
High faculty-to-participant ratio
Number of attendees limited to 8
Interactive classroom and Hands on Procedures
Course dinner and all refreshments included
Accommodation for Dissectors only
Course certificate, CPD PENDING**

FACULTY

**Professor Naeem Soomro –
Course Director, Consultant Urologist**

**FACULTY TO CONFIRM
Representatives of Intuitive Surgical:
Mr Michael Ghattas, Mr Philip Ralph**

Website: www.nstcsurg.org

- To become familiar with the function and operation of the da Vinci® Surgical System
- To become familiar with the ergonomics of the da Vinci® Surgical System robot and the available robotic instrumentation
- To understand the selection process for patient position, da Vinci surgical team position and robotic surgical approaches
- To become familiar with the technique of robotic surgery intracorporeal suturing and knot tying
- To learn "tricks of the trade" to make robotic surgical procedures more efficient without much complication.
- To learn robotic tissue dissection techniques using monopolar bipolar, harmonic and plasma kinetic energy in robotic surgery.
- To learn intracorporeal suturing and knotting to perform robotic surgery
- To learn scientific port position to do proper docking during robotic surgery
- To learn baseball diamond concept of port position of robotic surgery
- To learn ergonomic principle of robotic surgery for proper and trouble free surgery.
- To learn bowel anastomosis and tremor free pyeloplasty da Vinci robot
- **FRESH FROZEN CADAVERS – Procedures incorporate:**
- Robotic Assisted Cystectomy , Robotics assisted Lymph node dissection
- Robotic assisted Prostatectomy, Robotic assisted Nephrectomy

Application Form

Date: 24th & 25th September 2018

DA VINCI ROBOTIC UROLOGY CADAVERIC COURSE

FEES: £175 for TUF DELEGATES

N.B. The fee of £175 includes accommodation for TUF delegates
(Travel is not included) OBSERVERS: £295 (ACCESS TO LECTURES AND SIMULATOR)

Please note: The course fee will include: Dinner, lunch and refreshments. Payment can be made via BACS (automatic bank transfer) by Credit Card, or by cheque payable to Newcastle upon Tyne Hospitals NHS Trust. Full details and registration information at www.nstcsurg.org Please note payment is due at registration to secure your place. Attendance on the course is conditional upon advance payment being received. Refunds cannot be given in the event of your cancellation within two weeks of the course date. The NSTC cannot accept liability for costs incurred in the event of a course having to be cancelled as a result of circumstances beyond its reasonable control. There is an administration charge of 10% (or £50, whichever is greater) of the total course fee. However, within four weeks prior to the start date of the course, the total course fee will be charged unless in exceptional circumstances at the discretion of the NSTC.

While we make every effort to run courses as advertised, we reserve the right to change the timetable and/or the teaching staff without prior notice and to cancel any courses without liability (in which case there will be a full refund of course fees to participant). Note that any consequential losses (e.g. travel or accommodation costs) incurred in such cases remain the responsibility of the booker, and consideration should be made to taking out appropriate travel insurance for any non-refundable costs.
